My dear Mr. Dulles:

I have been honored over the years by receiving the personally inscribed photos of Presidents Hoover, Roosevelt, Truman, Eisenhower and Kennedy which are in my den.

As a TV newscaster and active Christian layman I have followed with great interest your activities in past years and including the present.

I wonder if you would be kind enough to personally inscribe one of your photographs for me so that I may place it with those of our leaders. I will be happy if you feel you can comply with this request.

May God bless you.

Cordially,

Stanley F. Carey
Stan Carey
